

**Miss Rowland's First Grade  
Classroom Supplies List  
2009-2010**

The following supplies are needed for your child to use in the classroom for a variety of projects and daily lessons. I would like your child to be able to keep the materials at school so they are not misplaced. Please make sure your child also has crayons and pencils at home since much of the homework calls for these materials.

Please note: Many of these supplies may not last through the school year and your son/daughter might need to replace things like glue sticks, crayons, etc.
