

St. Timothy School

Mandatory Parent Training

The VIRTUS Protecting All God's Children Awareness Training for Adults is a critical part of our school's "safe environment" program and is mandatory for all parents. Virtus training is also required prior to participating as a chaperone or driving to field trips, sports activities, or similar STS events. If you have not already completed the training as a parent/guardian/family member, please take the opportunity to attend the upcoming STS training.

For your convenience, the following training is being held at St. Timothy in the Parish Hall:

Tuesday, September 22, 2009: 7:00pm – 9:30pm

RSVP to the parish office: (310) 474-1216

You must also register online so your record is in the Archdiocese database. And you have the option to attend a VIRTUS training at another location.

Please go to virtusonline.org. Click on "Registration" and select "Los Angeles – Our Lady of the Angels Region." You will see a list of locations. Choose St. Timothy on the above date – or another. Parents completing the training elsewhere must bring the certificate of completion to the St. Timothy school office for our files. Thank you for your cooperation!

If you have already completed Virtus training,
you do NOT need to complete it again.

Child care is not available for this training at St. Timothy.
